

Atop[®]

Safety Goggle

ATOP Goggle is reliable protective eyewear, featuring a wide-angle wraparound frame design with distinct "side-to-side" peripheral vision and a large lens opening to accommodate prescription and safety eyewear. Its stable, sturdy construction will help protect your eyes.

CLEAR ANTI-FOG LENS

Double-layer anti-fog coating on the inside and outside of the lens for clearer vision during treatment.

Regular Goggle
Blurred vision

Atop Goggle
Clear vision

ACCOMMODATES PRESCRIPTION EYEWEAR

Large window, wider adjustable and the PVC soft rubber is smooth to fit most people's faces. The lens is made of aerospace polycarbonate, which is more comfortable and suitable for long-term wear.

IMPACT & SPLASH PROTECTION

360° eye protection. Isolate aerosol molecules and splash in the air.
